

GINO SACCONI
JACK JAEGER (1937 - 2013)

Art Rotterdam 2017 booth # 66

Mieke van Schaijk Gallery presents
Gino Saccone at Art Rotterdam.

During Art Rotterdam Mieke van Schaijk Gallery from 's-Hertogenbosch presents new work by **Gino Saccone** (1979, Jersey, UK). Saccone lives and works in London where he in 2008 obtained his degree as Master of sculpture at the Royal College of Art. In 2009 and 2010 he worked at the Rijksakademie in Amsterdam. Mieke van Schaijk Gallery has been working for four years with the artist now. Saccone's work is presented internationally, collected and appreciated by leading art institutions. He exhibited at Nospace,

Oslo (2016), Tate St Ives, Cornwall (2015), Metafonia Atelier Concorde, Lisbon, Portugal (2013). He will be participating in the show at the Gran Palazzo Rome in May 2017.

Trough his techniques and practical intentions the work of Saccone has a striking presence in the contemporary visual arts. Very catching are his woven Jacquard (wall) carpets which he combines with digital prints, sculpture and paintings. The combination of analog and virtual methods leads to playful collages of visual means. The spaciousness of the work has lately been given greater emphasis.

Besides the work of Gino Saccone Mieke van Schaijk Gallery shows some exceptional works of **Jack Jaeger** (1937-2013) who as a former cinematographer and film editor made furore in the visual arts with abstract photography, surprising objects and installations. Jeremy Deller:

"Jack was a point of calm in the restless world of contemporary art; to me he was the kind oracle. I'm glad I got to know him: what a guy!"

MIEKE VAN SCHAIJK WORKS WITH THE ARTIST: KURT RYSLAVY, DENNIS TYFUS, KENICHI OGAWA, AUKE DE VRIES, JACK JAEGER (1937-2013), PELICAN AVENUE, LUCILE DESAMORY, ALEJANDRA HERNÁNDEZ, JUAN PABLO PLAZAS, TILMANN MAYER-FAJE, FRANK KOOLEN like many others.
